**Consulting Services  
(Energy Sector)**

**Deadline: 6 April 2015**

---

**Country:** *Uganda*

**Prequalification**

**Ref.:** International, open Tender for Performance Review and theory-based Evaluation of the GET FiT Uganda program

**Project Executing Agency:** Government of Uganda, represented by KfW

**Project measures:** The objective of the consulting assignment is the evaluation and performance review of the GET FiT program. The assessment encompasses two components, namely a (a) theory-based evaluation and (b) a performance review. The former (a) intends to assess the impacts of GET FiT in achieving its objectives, to provide evidence to test the theory of change, and to formulate lessons learnt regarding reasons for the successes and shortfalls of the program. In the performance review component (b), the consultant is expected to gauge progress against outputs and outcome targets, to assess the process of delivery and to develop lessons learnt about programme delivery that can be used to improve program performance. The assignment includes an optional component, which eventually expands the scope of review and evaluation to a tentative interconnection support facility.

**Requested Consultant services:** Experienced evaluator (theory-based/mixed methods) well versed in investment- and private sector-incentivizing schemes. Proposed team should further provide expertise in renewable energy, economics, finance and the development cooperation sector.

To receive the Invitation for Expression of Interest please contact the Tender Agent René Meyer ([rene.meyer@getfit-uganda.org](mailto:rene.meyer@getfit-uganda.org)).

This prequalification for consulting services will be guided by the latest version of the „Guidelines for Assignment of Consultants in Financial Co-operation Projects“ (refer to homepage of KfW Development Bank [www.kfw-entwicklungsbank.de](http://www.kfw-entwicklungsbank.de)). It is foreseen to assign the services to an independent consultant firm with proven experience in the respective areas. The minimum annual turnover shall exceed EUR 0,5 Mio with comparable services. Further information is available in the Expression of Interest.
